

Introduction:

Purnagiri Food Services Pvt. Ltd. was established in the year 2007 to cater the masses in the form of industrial catering, corporate catering, guest house management services & event management. The team was confident that there were substantial opportunities to grow and build the organization beginning with a few reputed clients that grew eventually. Purnagiri advanced with a new client every quarter and with the growth of industries, Purnagiri developed its resources through new in catering, canteen, event management & guesthouse management services. The concept of Nutritional Contract Catering was introduced where in the caterer will prepare food in a centralized quipped kitchen outside/inside the company premises & transport the cooked food in packed containers that will be served in the company.

Vision:

“To serve quality food,

To Keep on improving...”

“To serve our guests of different industries & corporate with reasonably priced catering & guest house services with a clean, hygiene & friendly environment accompanied with good quality food to meet & exceed our client’s expectations.”

Values:

- Rapid Response Time: Be it an enquiry or an order, our response is always rapid and precise.
- Value for customer’s time: Be it an enquiry or an order, our response is always rapid and precise.
- Product optimization: Proper selection of raw materials is of prime importance to deliver quality products.
- Training: The value for services cannot be realized unless the employees attending to it are trained effectively.
